“ Bill was my neighbor and my friend. We bought Norm's house in 92 and Bill and Patty became fast friends. I moved away many yrs ago and just heard of his passing. We will miss you Bill and pray for Patty and your family.

“ I am so very sorry to hear this. Although I haven't been in touch with him for a long time, I remember this sweet and fun loving man very well. Bill bought my house on McNulty and we immediately became friends. The house was located at the end of a circle drive and all of the neighbors at that time were very close and all liked to "party" in yards in the evening, drink beer and bbq. Even though I had left, I was always over there since our little "close" group of neighbors were good friends, and Bill fit right in and we continued to have fun and enjoy each others company. He was a good and thoughtful guy and would do anything to help anyone out. I send deep condolences and sympathy to his family in this time of sorrow. Bill was surely one of a kind....Rest peacefully my friend.

“ Bill worked with us from 1986-2009, so 23 years, but he was working at Laurel Hill before we arrived, not sure when. He was reliable and dependable. I can't remember him having a grouchy day. I can't repeat his favorite word. Bill always got to work early, had some coffee and got ready for the day. A business full of Bill's would have a good crew indeed. Miss you my brother.

“ .. I remember back in 81 when we move to Florissant and shortly after that Bill moved a couple doors from us and we immediately became friends. Bill was the type of person that would do anything to help you. I came up a nick of two tone because he was always dark on his upper body and white legs from working out side all his life . I will never forget get that swimming pool that Becky gave him, the only catch was I had to help him tear it down and reassembled in his back yard. After a few bad words and not to sure how much beers we went through we finally got it up. Every 4th of July it was party it was a neighborhood party in Bill's backyard. What good memories of Bill and he was like a brother to me and a very very good friend to have . He will surely be missed by all.
