“ Jeanette & I have been friends since high school. Almost every Saturday, I would go to her house and we would watch American Bandstand or The St. Louis Hop together. We lost contact with each other after high school. Years later, she left a message on my machine, asking me if I was the same friend that knew her in high school. Well, fortunately for both of us, I was. We met for lunch and we have been friends ever since our reunion. Unfortunately, we lived far apart from each other, so we could not get together as often as we would like to. She was a very sweet lady and my heart and soul hurts to know she is gone. Trudy Wellen

“ The news of this absolutely breaks my heart. She worked with me in the ED at Mercy South as a volunteer and we kept in touch very frequently after the volunteers were let go due to Covid, i hadn't heard from her since June 11th which was our last email, and I was wondering why she hadn't responded here lately, i am so sorry for your loss, she was a phenomenal person and I will never forget her. She is with her husband who I know she missed daily.

“ Jeanette and I met through an online widows group and then in St. Louis for a meetup. We spoke on the phone a couple of times a week and emailed almost daily. She would check on me and I on her, especially if something special was happening. I miss you, Jeanette, and how we shared our cat tails! Theo sends his best meows to you and Chole. I know you are with Dave and that is the silver lining for me losing you so young. Thanks to Pam and Angie for calling and comforting me. With so much love, my dear friend, Fran

“ Nearly 30 years of friendship has shockingly come to an end. You gave so much of yourself to so many. The many years of Marriage to your wonderful and loving husband Dave. You were an awesome team. The years of devotion to Southwestern Bell and the Pioneers as well as the YMCA and all the other organizations you volunteered for made you a very special person to so many. Thanks for being the only person I would trust with my beloved dog KC. You would mark the time you spent with him by giving me a video or scrapbook of your time together. The surprise birthday party you through for me was one of the kindest and most memorable times of my life. You have given so much of your life in compassion and love to others. Your life will not go unnoticed and you definitely made the world a better place for us all. Thank you for caring for us all. Your faith in God has served you well. Rest in piece my friend. Much love Michael

“ Jeanette and I are 2nd cousins through our grandparents, the Taylors. I was close to your grandmother and mother all my life. I'm so happy we became friends too! You were a thoughtful person who had a happy life with Dave and made the best of it when you lost him. I'll remember you and have you in my genealogy forever. I wish the best for Pam and Angie and their families.

“ Jeanette, I met you four years ago at a grief meeting. You joined me and others on Sunday afternoons for karaoke. After much coaxing, you and Joyce became my back-up singers when we did "Rolling on the River". Through these years we've been together for many lunches and parties. It's hard to believe that we won't see your smiling face anymore.
My heart and prayers go out to family.

“ I have so many wonderful memories of Jeanette from growing up with her and Dave at family holidays. From her wonderful baked mostaccioli, to her laugh, and general special times. Her commitment to volunteering and being involved was such a gift. I feel lucky to have had her as an aunt and that she joined our family. She will be greatly missed. “ Jeanette, you were my best friend. We had such a good time when we met for lunch, talked, and went back to your place to crochet baby afghans and hats and gab some more. We would sit and watch The Golden Girls also. Chloe used to rub all around my ankles the minute I got in your door and meowed like crazy! I miss you so much already.
I know you are with your beloved Dave again, finally.
