“ My sister Linda was always bubbly and fun. My kids called her the "fun aunt" when they were little. She would pick them up from school and do Chinese fire drills with them and spoil them. They love her so much. She was an amazing mom to her own son. Always so giving of herself no matter how she was feeling. We had a blast together stationed in Germany especially when my mom and dad flew over to see us. She loved her family and we all loved her so much. She always brought joy (and presents) to every family gathering. She is now an angel in Heaven. Linda.....I love you so much and will miss you every day. Sweet girl....you take care of my sweet girl; your "peaches" for me. She loved you so much. We all do.

“ My sister, Linda was the best! Kind ,loving,generous! Yes,she always came with gifts that she thought you may like. She was very much a family person! They meant a lot to her. She was the best mom to her son,loving wife to her husband. Linda missed her mom who passed a few years ago,so now she can be with her. She will now be in great health !God needed a Angel to help him with his good works,she was that person! Will miss her daily,we all love you! Mary Boerschig.

“ Dear Mary, I am so sorry to hear of Linda's too soon passing! I called my mom, Gerry Flynn, right away. She and I send our heartfelt prayers in support of your whole family. God will comfort and sustain you, though the hurt is never really gone. But the sun shines, the seasons come and go, and the love of and for a lost sister is always there. Hoping to see you soon. “ Linda was the sweetest! She never came to an event empty-handed. She was always bringing gifts and sharing pictures that she thought would bring joy to those she gave them too. She truly loved her husband, son, and all her family and each one of us knew it! She was a strong woman who gave her all in everything she did. She will be greatly missed. I'm thankful to know she's with our Savior in heaven. We'll see you again Linda and what a party it will be!
