“ Dear Kathie, Mandy, Randy, Samantha and families. I will always remember Uncle Bill's smile. He was always happy to see you and you always knew he was up to something mischievous. Love this picture of him and Grandma Headrick we know where he got that grin from.

*Bill was a remarkable man. Good friend and was the first there if anyone needed help. He great with wood work. His mind with number was amazing. I will miss him dearly. There no one like him. Greatful to call him my friend for 30 plus years. Thank you Bill for coming into my life.*

*Kathie, Mandy, Randy, and Samantha - I was saddened to hear about your Dad's passing (my Uncle Bill). My perspective comes from talks many years ago with my Mom (your Aunt Sharon) who always saw so many wonderful qualities in Bill, her little brother. She knew that there was a soft spot in your Dad's heart, and she could usually bring it out. Your Dad was certainly very skilled and, impressively, was largely self taught. But more importantly, he could be very generous in sharing his skills and time with his family and friends. I know I was a fortunate recipient on a couple of occasions in the mid-80's when your Dad fixed my car for me at a time when I couldn't afford to take it to a mechanic! You have my condolences and will continue to be in my prayers.*
